

DISMISSAL TRAFFIC

DISMISSAL TRAFFIC PROCEDURES

Elementary Student Pick Up:

1. Enter from 17th Street and keep to the left of the two traffic lanes.
2. Once clear of the other lane of traffic, form two lines in front of the elementary building.
3. A teacher will ask you for your students' names as you near the front of the line.
4. Your students will be waiting for pick up on the front step of the elementary chapel when you are directed to pull forward by a safety patrol.
5. Once your students are loaded, exit by taking a right turn only onto 36th Avenue.

High School Student Pick Up:

1. Enter from 17th Street and keep to the right of the two traffic lanes.
2. Once clear of the other lane of traffic, form two lines in front of the gymnasium.
3. A teacher will ask you for your students' names as you near the front of the line.
4. Your students will be waiting for pick up at the gate to the rear of the gymnasium when you are directed to pull forward by a safety patrol.
5. Once your students are loaded, exit by returning to 17th Street on the far corner of our parking lot. Two lanes may be formed with the left lane making left turns only onto 17th Street, and the right lane making right turns only onto 17th Street.
6. In case of inclement weather, students will be in the gymnasium foyer, and picked up on the front corner of the gym by the same procedure.

General Reminders:

1. Please observe our posted parking lot speed of 5 m.p.h. for all students' safety.
2. Any families with both elementary and high school students to pick up will do so through the elementary traffic line.
3. No students will be released until a designated faculty member has called for them.
4. Any one wishing to park and walk to pick up their elementary students will need to come to the elementary chapel doors via the crosswalk closest to the extended care building to secure their students. It is strongly recommended that parents refrain from picking up their students in this manner.
5. Please park only in areas designated for visitor parking and do not use the main entrance crosswalk or gymnasium crosswalk from 3:15 - 3:45 PM.
6. There is a 25 minute window to pick up students. It will greatly help traffic if everyone does not plan to arrive at exactly 3:20.
