Missed Lesson Policy

Please give at least a 24-hour notice if your child will be absent from a lesson. Missed lessons may be made up at the teacher's discretion. We do understand that illnesses do arise, but please try to notify the teacher if at all possible. Their time is valuable just as your time is to you.

Student Responsibility

Students are responsible to bring all books to each lesson. Unprepared students may result in a forfeited lesson if the necessary materials are not available. Students are expected to practice at home. They should bring their practice sheet/practice notebook each week with the amount of practice time written down. Please help your student schedule a practice time each day. If a student is habitually unprepared (didn't practice, no books, etc.) their lessons may be suspended to make room for other students who are on a waiting list.

Renting Policy

If your child would like to play the cello, a renting option is available with **Paramore Music** off of East Silver Springs. I have attached information for you in the following pages.

Final Notes

We are thrilled to have the privilege of teaching your child this year. This is an investment that will benefit your child for the rest of his/her life. If you have any questions, please contact your child's teacher or Mrs. Naomi Stembridge, Private Lesson Coordinator. (352) 694-4178
