If you have not registered for next year yet, please do so immediately. Some classes are already filling up and we are open to new students now. If your child is not returning, please send us a note so that we know that spot is free. If you aren't sure, you may want to go ahead and register because if you decide to later, it may be too late. Also, keep an eye on your scholarship account. It should be opening up for next year soon. When it opens up and you get your child's Award ID, please send that to me as soon as possible. Thank you!
